## **Elections and Radio Astronomy at November Meeting**

Election of the 2018 club officers will occur at the November Heart of America Radio Club meeting. In the past several years elections were held at the November meeting. This was to accommodate the December meeting which is traditionally a holiday dinner meeting at a restaurant. That setting is generally considered not to be best for a club meeting and election. We will also select a restaurant where the dinner meeting will be held this year.

Also on the agenda is a presentation about radio astronomy by Craig Martin, KYØO.

The meeting will be held on Tuesday, November 21 at the American Red Cross office at 211 West Armour Boulevard in Midtown Kansas City, MO at 7:00 p.m. Please try to attend the meeting, if you can. Parking is at the rear of the building. Entry is through the back door of the building. The 146.94 MHz. repeater is monitored.
